PHILIP C. HAMM MEMORIAL SCHOLARSHIP in the PLANT SCIENCES for Undergraduate Students

A scholarship of $1000 is available to undergraduate students in the plant sciences and related disciplines from the Philip C. Hamm Memorial Scholarship Program. The purpose of the scholarship is to encourage and reward undergraduate students who show promise and interest in becoming research plant scientists. The awards will be based entirely on merit and the recipient will be recognized for this honor at the Philip C. Hamm Memorial Lecture.

To be eligible for this award, a student must be a junior or senior and have an outstanding undergraduate scholastic record.

Applications consist of:
1) A statement of career objectives including your research experience and interest
2) A resume
3) Transcripts of all undergraduate work
4) Two letters of recommendation from faculty members providing evidence of promise as a research plant scientist

Deadline for Receipt of Complete Applications – March 5, 2015

Submit nominations by email or hard copy to:

Gail Kalli, Plant Biology Department
1445 Gortner Avenue, Room 250
St Paul Campus - Delivery Code 6022
desha001@umn.edu

Questions related to this award should be directed to Dr. Gary Muehlbauer at muehl003@umn.edu or 612-625-2755
