

UNIQUE SUMMER JOB ALERT

Station Assistant at Itasca Biological Station and Labs

Are you a U of M undergrad student not graduating in spring 2022?
Would you enjoy living and working at a remote field station for the
summer (mid-May – mid-August)?

This is a paid position (30 – 40 hours/week). Housing at the station and meals in the dining hall (when open) are provided. The cabin will be shared with other students. The ability to work weekends and evenings is required.

To apply send a cover letter and resume to
Dr. Lesley Knoll, Itasca Associate Director

lbknoll@umn.edu
