Peer Mentor: Katie Brown

Plan and Summary:

- ❖ Coordinated with a Ronald McDonald representative to find out what the children would benefit from.
- ❖ Found that they needed something to lift their spirits, and decided that decorating homemade cupcakes and playing games with the children would have the highest efficacy in lifting their spirits.

Thoughts:

- ❖ Worked well as a group and were excited to help out children going through a difficult time in their life.
- ❖ Group had several dynamics that allowed for it to be a fully cohesive group.
